INTRODUCTORY COMMENTS

Remarks/Arguments begin on page 2 of this paper.

REMARKS

A telephone interview was conducted today, May 25, 2007 between George S. Blasiak and Examiner Fritz Alphonse to discuss various proposed Examiner amendments.

The Applicants consented to the suggested Examiner amendment to cancel claims 70-77 on the condition that the Examiner acknowledge on the record that the consent to cancel was being given for purposes of expediting an allowance and was being made without prejudice or disclaimer.

During the interview, the Examiner acknowledged that applicants consent to cancel of claims 70-77 was given for purposes of expediting an allowance and further acknowledged that claims 70-77 would be cancelled with an Examiner amendment without prejudice or disclaimer to the applicants. The Examiner further acknowledged the free right of the applicants to pursue claims directed to the subject matter of the cancelled claims in a related application, e.g., a continuing application.

Accordingly, in view of the above amendments and remarks, applicant believes all of the claims of the present application to be in condition for allowance and respectfully requests reconsideration and passage to allowance of the application.

If the Examiner believes that contact with applicant's attorney would be advantageous toward the disposition of this case, the Examiner is herein requested to call applicant's representative at the phone number listed below.

The Commissioner is hereby authorized to charge any fees associated with this communication or credit any overpayment to deposit Account No. 50-0289.

Dated: May 25, 2007

Respectfully submitted,
